## ABOUT ME

I am a final year college student with a keen interest in web development. Skilled in Front End Development tools. Strong problem-solving abilities and a passion for creating dynamic and engaging web experiences.

## EXPERIENCE

### FRONT END DEVELOPER INTERN

**Pobuca.** | Mar 2024 - Present

## EDUCATION

### DIGITAL SYSTEMS

**University of Pireaus.** | Oct 2020 - Present

Major in Software and Data Systems

## PROJECTS

### Gym Management System

Developed a network-centric information system for managing users and reservations within a gym environment. Utilized languages such as HTML, CSS, Flask, and MongoDB for development.

### Vintage Furniture Store

Developed a fully functional e-commerce website leveraging a range of technologies to ensure an intuitive user experience and efficient backend operations. Utilized languages such as HTML, CSS, JavaScript, PHP, and MongoDB for development.

### Personal Portfolio

Designed and developed a personal portfolio website using React, showcasing my skills, projects, and achievements. Leveraged React's powerful capabilities to create a dynamic and visually engaging user interface.
